Day 10 is a quote-y kind of day.

"Stars, Maps, Instincts. What do you follow?

~~ as seen on an ISIS tag

"The outdoors can soothe a cranky mood, a hectic day, a restless heart."

~~ more ISIS

"For a long time it had seemed to me that life was about to begin. But there was always some obstacle in the way, something to be gotten through first, some unfinished business, time still to be served, a debt to be paid. Then life would begin. At last it dawned on me that these obstacles were my life."

~~Alfred Souza

"Our lives are full of an almost infinite number of situations and moments in which we could get more control or get a better viewpoint, or both. The first step in improving what's going on is acceptance of what IS going on. If you try to resist or refuse to recognize current reality, you'll never find the handlebars."

~~ David Allen
